Date: 10/13/22

On the evening of October 12, 2022, the Northern Colorado Drug Task Force partnered with local agencies to conduct a criminal and narcotics interdiction event. In an attempt to curb drug distribution and address public safety issues over 40 law enforcement officers cooperated in this effort. As a result, numerous traffic contacts were made resulting in the following:

- One individual was contacted and arrested for having over ½ pound of suspected methamphetamine and narcotics distribution equipment
- An individual was contacted and found to be in possession of suspected fentanyl and drug paraphernalia
- One stolen vehicle was recovered
- Six individuals were contacted and arrested for outstanding warrants
- One individual was arrested for suspected DUI
- One individual was arrested after found to be violating a protection (restraining) order
- One individual was arrested after driving with a revoked license as a Habitual Traffic Offender
- 54 contacts for traffic safety violations were made
